

Find out how you can graduate debt-free and earn \$223K over 5 years

This free program is offered in partnership with the Mechanical Trades Institute.

Free Apprenticeship Program

Why choose B&K?

We work with Local 72 to provide hands-on training to apprentices through the MTI-JATT program.

You'll have the opportunity to work with skilled professional journeyman, learning your trade first hand while gaining real-world experience.

After completing your education, you will have the connections and experience to launch your career in the trade of your study, with no tuition-based debt and having earned \$223,000 over the 5 year period.

Position	Hourly	Weekly	Annually
Helper	\$12.00	\$480.00	\$24,960.00
