

Get paid to learn about Mechanical Contracting

Find out everything about a career in an exciting, fast-paced and in-demand industry.

Batchelor & Kimball's Co-Op Program

Why choose B&K?

The Batchelor & Kimball Co-Op program has been designed to introduce a college student to the world of mechanical contracting and one of the premier mechanical contractors in the country.

Our goal is to provide a quality and meaningful work assignment where they are partnered with individuals who understand our industry and can ensure the candidate will have a rewarding time with us.

What you'll need:

Legal authorization
to work in the US, and
have reliable
transportation

One year completion
of undergraduate course
work

An interest in
the mechanical
contracting industry

What you'll do:

Get paid to learn
about the mechanical
contracting industry

Partner with a mentor
who will show you the ropes
while you find your way
around

Rotate assignments
through key areas in our
business to help gain a full
understanding of how we
solve our client's needs

Train to earn
the OSHA 10 Certification
